- WHEREAS,** when the Governor determines that a disaster or emergency has occurred, or the threat thereof is imminent, La. R.S. 29:724(B)(1) empowers him to declare a state of emergency by executive order or proclamation, or both;
- WHEREAS,** Proclamation Number 33 JBE 2019, issued on February 27, 2019, declared a state of emergency for the State of Louisiana as a result of river crests and the threat of imminent additional flooding causing emergency conditions that continue to threaten the lives and property of the citizens of Louisiana;
- WHEREAS,** Proclamation Number 42 JBE 2019, issued on March 27, 2019, extended this state of emergency until April 26, 2019;

- WHEREAS,** during this emergency, severe weather conditions across the middle of the nation, caused heavy rainfall throughout the lower Mississippi Valley and flooding along the length of the Mississippi River and other bodies of water throughout the State;
- WHEREAS,** with the Mississippi and Atchafalaya rivers currently at crest stages, several parishes are continuing to deal with backwater flooding in impacted areas, which, combined with forecasted weather conditions, calling for excessive rainfall in the short and long term for these areas, create the potential for flash flooding and another rise in the Mississippi River in the coming weeks;
- WHEREAS,** the Morganza Spillway has a high probability to be opened and operated for an extended period of time which has a great potential to cause catastrophic damage throughout the Atchafalaya Spillway;
- WHEREAS,** the State anticipates that parishes will continue to seek support from state agencies and that assistance may be needed to aid the parishes in their response to the rising river levels throughout Louisiana; and

WHEREAS, it is necessary to renew 63 JBE 2019 to extend the state of emergency due to the continuation of emergency conditions.

NOW THEREFORE, I, JOHN BEL EDWARDS, Governor of the State of Louisiana, by virtue of the authority vested by the Constitution and the laws of the State of Louisiana, does hereby order and direct as follows:

SECTION 1: Pursuant to the Louisiana Homeland Security and Emergency Assistance and Disaster Act, R.S. 29:721, *et seq.*, a state of emergency is hereby declared to exist in the State of Louisiana as a result of river and threat of imminent additional flooding which has emergency conditions that threaten the lives and property of the citizens of the State.

SECTION 2: The Director of the Governor's Office of Homeland Security and Emergency Preparedness (GOHSEP) is hereby authorized to undertake any activity authorized by law which he deems appropriate in response to this declaration.

SECTION 3: Pursuant to the La. SECTION 4: All departments, commissions, boards, agencies and officers of the State, or any political subdivision thereof, are authorized and directed to cooperate in actions the State may take in response to the effects of this imminent threat of flooding.

SECTION 5: This state of emergency extends from Thursday, July 25, 2019 to Friday, August 23, 2019, unless terminated sooner.

IN WITNESS WHEREOF, I have set my hand officially and caused to be affixed the Great Seal of Louisiana in the City of Baton Rouge, on this 24th day of July, 2019.
